MXB468F

Monochrome Multifunction Printer

Simply Smarter
BUSINESS

Robust monochrome multifunction printer

Work simply smarter with the Sharp MXB468F monochrome document system and deliver a simplified user experience that every business demands.

Designed to fulfill today's diverse business needs, the Sharp monochrome MXB468F document system enables workers to collaborate and share information seamlessly and securely throughout the office environment. Enhance your office's output of professional-quality content that gets the attention of your audience while saving time and money!

Easy-to-use Touchscreen

The easy-to-use Sharp touchscreen display MXB468F 4.3" (diagonal) is built using colour LCD technology which delivers accurate highly intuitive user experiences. Easy UI mode offers users quick access to frequently used functions on a customizable touchscreen display.

Versatile Functionality

The MXB468F leverages the latest technology to help users get their work done with ease and efficiency. Hallmark features like the LCD touchscreen, duplex feeder, standard PostScript compatible printing and an optional convenience stapler enable users to easily manage their workflows.

Leading Security

In today's hybrid working environments, it's vital to protect endpoint devices from security threats, which is why the latest security technology is used to help ensure your data remains safe. Enhance security further with the optional Trusted Platform Module (TPM), to deliver user authentication, system integrity checks and cryptographic capabilities which create a unique digital system fingerprint.

Simplified Workflow

Using available add-on apps, users can customize their experience to business workflows. For example, users can save time by printing from popular cloud storage applications utilizing the Cloud Connector app.

Smart features that enhance productivity and efficiency
Customizable interface designed and tailored to today's hybrid workforce needs.

✓ **Work more efficiently**

✓ **Assess an intuitive and customizable interface**

✓ **Proactively secure document access**

4.3" (diagonally measured) customizable touchscreen display.

MXB468F shown with flexible stand and 2-drawer paper deck.

- Standard copy, print, scan and fax capability

- MXB468F 4.3" (diagonal) colour LCD touchscreen with adjustable viewing angle offers smooth tablet-style interaction

- 100-sheet duplexing single-pass feeder

- Scan 2-sided originals at speeds of up to 104 images per minute monochrome or scan 2-sided colour originals at up to 72 images per minute

- Supports popular mobile technologies enabling users to easily print files from smartphones, tablets, laptops and Apple AirPrint

- ENERGY STAR® certified and offers among the lowest standby power consumption in the category

- Optional convenience stapler enables users to easily manage their workflows

Smart·Connected·Secure

Integrating technology and functionality
The MXB468F multifunction printer delivers elevated reliability and performance.

Duplexing Single Pass Feeder (DSPF)
100-sheet document feeder scans both sides of a document in a single pass and scans up to 104 images per minute monochrome and 72 images per minute colour.

Finishing
The easy-to-install convenience stapler (optional) lets users manually staple up to 20 sheets.

Device Management
Sharp Remote Device Manager (SRDM)* gives administrators control of their networked multifunction printers (MFPs) and printers.

Paper Handling
Paper drawers feed up to 8.5" x 14" paper and support media up to (58 lb. cover). Supports up to 2,300 sheets in the paper drawers and bypass tray with options and letter size, legal size envelopes through the standard paper drawer or multipurpose tray.

Adjustable Stand (optional)

Smart Touchscreen
Enhanced colour LCD touchscreen is easy to use and provides quick access to features and functions with a free tilting control panel and full-flat colour LCD touchscreen.

AirPrint and Android Compatible
Simplified mobile printing with Android and AirPrint features.

Multi-layered Security Features
Leading-edge features provide enhanced protection of data and personal information and help protect against network intrusions. The optional TPM provides authentication, system integrity checks, and cryptographic capabilities to create a unique digital system fingerprint.

Easy Access to Cloud Services
Print and scan documents to popular cloud applications directly from the control panel such as Microsoft OneDrive for Business, Google Drive™, Dropbox and Box.

Wired and Wireless Networking
Standard Gigabit Ethernet and optional Wi-Fi network capabilities offer greater flexibility.

*All features of SRDM are not available.
